

## Investiture of Baronial Champion

- HERALD                    Let \_\_\_\_\_ and his consort come before  
Their Excellencies.
- BARON                     We are greatly pleased with your  
achievements in the Championship List.  
Please accept this tassel as a token of your  
victory. Its colours indicate to all that you  
have been victorious in an Anealan Baronial  
Championship List.
- BARONESS                \_\_\_\_\_, through your grace and beauty you  
have inspired your Lord to victory in this  
list. My Lord please take this wreath and  
crown with it this Lady who has so inspired  
you.
- \_\_\_\_\_, please sit beside Us and bear  
witness to the investiture of Our Champion.
- BARON/BARONESS        Having achieved victory in this  
Championship list, We would honour you  
with the title of Champion of the  
Sword/Bow/Rapier. Will you accept this  
title, and its attendant responsibilities, from  
Us?
- Champion                 I will.
- BARON/BARONESS        Then accept from Our hands these  
symbols of your position and take your  
place at Our side.
- HERALD                    For \_\_\_\_\_, Champion of the  
Sword/Bow/Rapier for the Barony of  
Aneala, three cheers.
